Monthly Newsletter

Homecoming Sunday

We thank the Lord for His faithfulness to Winfield First Baptist Church over the last 136 years. What a privilege we have to carry on the legacy of those brothers and sisters in Christ who laid the foundation that we stand on today; may we be faithful to Christ, following His will, and taking the gospel to our community.

We had a wonderful time of worship at our homecoming service on October 5. We filled the choir loft with kids, youth, and adults who led us in worship and blessed us with a song proclaiming the greatness of God. Our historical committee did a great job interviewing members of our church and compiling a video that highlights some important events over the last several decades in the life of our church. It was enjoyable to hear different testimonials from long-standing church members of WFBC. Bro. Paul Murphy delivered a sermon that encouraged us to ensure our sights are set on reaching the lost as a church.

We ended the day with a potluck fellowship in the activities building. We are grateful for the hospitality committee and their dedication to ensuring the fellowship went off without a hitch. It was a great day of thanking the Lord for blessing WFBC with 136 years of life. Let's press on in the work that the Lord has given us to do in Winfield.
