Easter at WFBC

We have had a wonderful first year at the WFBC Early Learning Center. We are praising the Lord for His blessing on this new ministry and are looking forward to the upcoming school year. There is always something going on, and the church staff has loved having this group of kids at the church every day. Our early learning center kids have sung in our Christmas in Winfield service, and for our SINGS group, they have gotten to know our church and staff, and some have even visited for a Sunday morning. We are thankful to Alana Box, Misty Coleman, and Shea Walker for their dedication to the Early Learning Center and its mission to provide a nurturing environment where children can grow and learn, while laying a strong Biblical foundation for their lives. We plan to expand to include more classes this fall.

How can you get involved? We are currently looking for substitute teachers to fill in as needed. We are looking for teachers and aides to teach in classes for the fall. As we expand to include more classes, there will be a variety of classroom needs; we'll keep you posted on how you can give, if you feel led. We would love to see more of our church family come up and be involved, even if it's just to help with a craft, a special day, or to read to a class. Lastly, you can pray for the learning center, the teachers, leaders, and students. Pray for strong relationships to be built between our church and our students' parents; pray for gospel opportunities.
