A Busy Week at WFBC

School is back in session, and it feels like we have packed a ton of events into the end of summer/beginning of school. This week was full, with our three-night revival and our midweek kickoff the next day. It has been a busy week but a blessing, to be sure.

Our revival started on Sunday night with Dr. Greg Corbin, who preached on the "Vocabulary of Revival" and helped us understand five words that are critical for Christians to take to heart as we seek the Lord. Night two, we heard a message from Dr. Michael Mason, who taught on the prodigal son from the father's perspective. Dr. Mac Brunson joined us for the final service as he preached from Jude on two habits that are critical for spiritual growth. Each night of revival, we were led in worship by our own WFBC worship ministry. Our choir, praise team, band, and media team worked hard to prepare for each night and showed up early to practice. I am so thankful for each of them. We are praising the Lord that we had one come to know Christ through our revival services.

Our midweek activities kicked back off yesterday. Our kids ministry had a water party, our choir and Bible studies began meeting again, and we hosted the Marion County back-to-school youth rally in Legacy Chapel. There were nearly 250 students in attendance at our youth rally, and 2 were saved.

There is a place for you to get involved on Wednesday nights. If you aren't already involved, join us! We will have info on another new class meeting on Wednesday nights in the next few weeks.
