Monthly Newsletter

WFBC Sewing Ministry

We want to take this month's newsletter to praise the Lord for the work we see Him doing through our sewing ministry. The ministry reformed last year and has taken off in its efforts to provide for people in our church and community. The sewing ministry is a dedicated group of ladies who desire to use their skills to spread the gospel, reach the community, and bless people. Since they started back up last year, they have completed several projects:

- They made caddies that hang on walkers and plastic bag storage for those in assisted living and nursing homes in the area.
- They made soup-bowl cozies for all our homebound members at WFBC.
- Everyone who is baptized at WFBC receives a handkerchief with their name and the date of their baptism embroidered on it.
- They have donated numerous hand-crafted baby items, such as blankets and bibs, to new moms in our area and to the pregnancy resource center.
- They are currently making Gospel dolls—dolls that missionaries will give to children in Uganda as a tool for presenting the message of Jesus.
- Their next project is to make pencil pouches and bookmarks to donate to the library.

Each of these items comes with a tag with scripture verses or a QR code that links to the WFBC website. The sewing ministry has already been such a huge blessing to our church and to the community, and we are excited to see what is next for them. You are invited to join them. You do not need any sewing experience; several members come each week and are taught the basics by ladies who have been sewing for years. They meet on Mondays at 9:00 am in the sewing room, which is just up the hall from the church office and choir room.
