Join us for Crossover Birmingham June 8, 2019

Crossover is the evangelistic outreach initiative preceding the annual meeting of the Southern Baptist Convention. For 30 years, NAMB has partnered with state conventions, associations and local churches to saturate the convention's host city with evangelistic events. Volunteers from across the country arrive in the city a few days prior to the annual convention to participate alongside local church members. These efforts result in hundreds of souls won for Christ. Join us for an exciting experience as we share the hope of the gospel and demonstrate it in tangible ways to those in the Birmingham community.
