TRANSFORMED

This week, our emphasis is on Financial Health.

Rick Warren covers God's plan and promises for health in this area of our lives and teaches seven habits for the promises of God to be activated. Be sure to listen with your small group to these helpful guides for doing well financially! When we give like God gives, we become a reflection of His bountiful love for all of us!

You may refer to our website for memory verse helps on the Transformed study.

When missionaries answer the call to the mission field, they expect to encounter challenges, but no one could have planned for a global pandemic that radically altered everyday life.

Your North American missionaries are displaying courage and vision. They are changing course, innovating and discovering ways to continue sharing the gospel, making disciples and bringing hope.

PRAY

- That times of crisis have opened new doors to the gospel.
- That they, and we, would not grow weary in sharing the gospel.
