
Dear Parents:

At Winfield First Baptist, nothing is more important to us than the safety and security of your children. That's why we've chosen KidCheck as our children's check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

We will go live with KidCheck on **Sunday, August 30**. It is important you create your account prior to this date. If you haven't already created your free account, please do so by going to go.kidcheck.com, selecting "Create Your KidCheck Account," and following the on-screen prompts. Alternatively, you can download the KidCheck Mobile Check-In app from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your phone (does not complete check-in).

You may create your account from the comfort of home; it's simple and will only take a few minutes. Creating your account prior to the above date helps us have a smooth transition and helps your first check-in go more quickly so you can get on your way.

Once you've created your account, simply use your 10 digit phone number to check-in with us or anywhere you see the KidCheck logo.

Thank you for your participation.
